A Marriage Ceremony At The Chasley Hotel

We are an approved venue for civil wedding ceremonies

The beauty of having a civil ceremony at The Chasley Hotel means we can offer five rooms, in total for a marriage ceremony from 20 – 100 guests and this means you can continue your happy day in the same venue.

When you decide to have a civil ceremony you will need to provisionally book your room at the hotel. (Please note a surcharge may be incurred for hire of the room if you are not holding both your day and evening function at the Chasley Hotel)

The wedding ceremony is carried out by the Superintendent Registrar, or one of their staff however all arrangements must be made directly with them giving the date, time and notice of marriage ceremony

Guidance for those wishing to marry on approved premises

As soon as the couple have made provisional arrangements for their marriage on the approved premises they should be advised to contact the Superintendent Registrar for the district in which the premises are situated:

*The Registrar Office
71 Northgate
Wakefield
Telephone: 01924 302185*

Without the presence of the Superintendent Registrar there can be no marriage and any arrangements for the use of the premises depend entirely on availability. It is therefore essential that the couple make an advance booking with the Superintendent Registrar for his attendance at their proposed marriage as soon as the booking is accepted. A fee for this attendance will be payable before the ceremony.

The couple should then be warned that any arrangements made for the marriage to take place on the above premises are dependent on:

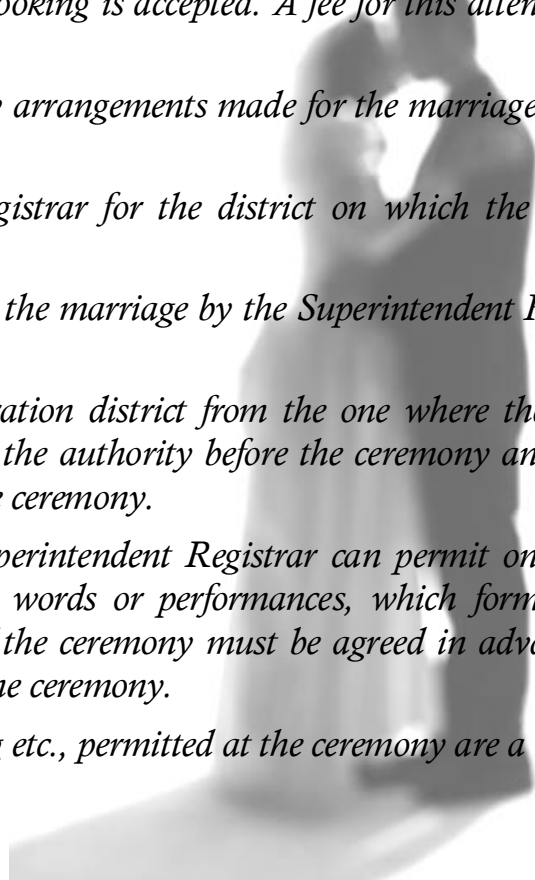

The attendance of the Superintendent Registrar for the district on which the premises are situated

The issue of the authority or authorities for the marriage by the Superintendent Registrar(s) to whom notice of marriage was given.

When notice is given in a different registration district from the one where the marriage is taking place the couple will have to collect the authority before the ceremony and ensure it is delivered to the registrar who is to attend the ceremony.

The couple should be advised that the Superintendent Registrar can permit only civil, non-religious ceremonies. Any music, reading, words or performances, which form part of any ceremony, must be secular. The content of the ceremony must be agreed in advance with the Superintendent Registrar who is to attend the ceremony.

All rights of the copyright for music, reading etc., permitted at the ceremony are a matter for the couple and the holder of the approval.
